

Same Power

By Jeremy Camp

I can see
Waters raging at my feet
I can feel
The breath of those surrounding me
I can hear
The sound of nations rising up
We will not be overtaken
We will not be overcome

I can walk
Down this dark and painful road
I can face
Every fear of the unknown
I can hear
All God's children singing out
We will not be overtaken
We will not be overcome

The same power that rose Jesus from the grave
The same power that commands the dead to wake
Lives in us, lives in us
The same power that moves mountains when He speaks
The same power that can calm a raging sea
Lives in us, lives in us
He lives in us, lives in us

We have hope
That His promises are true
In His strength
There is nothing we can't do
Yes, we know
There are greater things in store
We will not be overtaken
We will not be overcome

The same power that rose Jesus from the grave
The same power that commands the dead to wake
Lives in us, lives in us
The same power that moves mountains when He speaks
The same power that can calm a raging sea
Lives in us, lives in us
He lives in us, lives in us

Greater is He that is living in me
He's conquered our enemy
No power of darkness
No weapon prevails
We stand here in victory

Greater is He that is living in me
He's conquered our enemy
No power of darkness
No weapon prevails
We stand here in victory

Oh, in victory

The same power that rose Jesus from the grave
The same power that commands the dead to wake
Lives in us, lives in us
The same power that moves mountains when He speaks
The same power that can calm a raging sea
Lives in us, lives in us
He lives in us, lives in us

God, he lives in us!

Almost Home

By Mercy Me

Are you disappointed
Are you desperate for help
You know what it's like to be tired
And only a shell of yourself
Well you start to believe
You don't have what it takes
Cause it's all you can do
Just to move much less finish the race
But don't forget what lies ahead

Almost home
Brother it won't be long
Soon all your burdens will be gone
With all your strength
Sister run wild run free
Hold up your head
Keep pressing on
We are almost home

Well this road will be hard
But we win in the end
Simply because of Jesus in us
It's not if but when
So take joy in the journey
Even when it feels long
Oh find strength in each step
Knowing heaven is cheering you on

We are almost home
Brother it won't be long
Soon all your burdens will be gone
With all your strength
Sister run wild run free
Hold up your head
Keep pressing on
We are almost home
Almost home
Almost home

I know that the cross has brought heaven to us
But make no mistake there's still more to come
When our flesh and our bone are no longer between
Where we are right now and where we're meant to be
When all that's been lost has been made whole again
When these tears and this pain no longer exist
No more walking we're running as fast as we can
Consider this our second wind

Almost home
Brother it won't be long
Soon all your burdens will be gone
With all your strength
Sister run wild run free
Hold up your head
Keep pressing on
We are almost home
Almost home
Almost home
We are almost home
Almost home
Almost home
We are almost home
